MSLT

LOW TABLE STRAPPING MACHINE

MSLT

LOW TABLE STRAPPING MACHINE

Maximizing Performance And quality

For over seven decades, SIGNODE, USA, a division of ITW Inc., USA; A Fortune 500 company, has been the world leader in the area of Distribution Packaging. In India, ITW SIGNODE INDIA LIMITED has been instrumental in pioneering several techniques of Distribution Packaging.

For carton closure and reinforcement, ITW SIGNODE INDIA LIMITED offers a range of plastic strapping machines

MSLT Features

- Solid robust construction with stainless steel table top.
- Low table height for comfortable working.
- Auto-Power enables power saving and increase motor life.
- Tension can be adjusted up to 40 kgf.
- A cycle time of only 1.5 sec. increases the number of operations.
- Tension can be adjusted without opening top cover.

Applications

The machine is generally used for moderate volume products. Keeping in view convenience during operation, the machine can be operated by sitting on ground or by keeping it on table. Thus the portability of the machine ensures its versatility and flexibility.

Advantage MSLT

Due to drastic reduction in terms of labor input, the usage of MSLT overcomes all manual errors ensuring

- The strap is uniformly tightened over the carton.
- Strapping of the carton with the same tension, maintains the shape of the package.
- Unlike the conventional methods where metal clips are used for sealing straps, MSLT heat welds the joints.
- MSLT is a cost effective solution to all your packaging problems.

Specifications*

Dimensions	1300 mm x 570 mm x 460 mm
Cycle Time	1.5 Secs.
Strap Joint	Heat sealed
Strap Width	6 mm to 15 mm
Power Supply	220V AC., Single phase, 50 Hz
Power Consumption	600 Watts.
Drive Motor	¼ H.P., 1440 rpm
Maximum Tension	45 kgf.

* Manufacturer reserves the right to alter the specifications without prior notice.
Machine length 1300 mm is without dispenser flange.

Service Network

ITW Signode India Limited has strategically located branches/ distributors across the country to cater to your after sale service needs. With well trained engineers on hand, ITW Signode India Limited takes care of your service and maintenance requirements.
